Description

Tumbled Turf is a vibrant, attractive colored loose-fill rubber landscape mulch manufactured from 100% California post consumer waste tire.

Tumbled Turf provides a permanent and colorful solution to meet your landscaping needs and can also be used to provide fall safety in outdoor play areas.

Uses

Tumbled Turf is designed for use in flower beds, around trees, as walkways, inside planters, in place of decorative rock and on playgrounds.

When used at a depth of 6", **Tumbled Turf Premium** is certified to a fall height of 9'.

Advantages

- **Tumbled Turf** is manufactured from 100% California post consumer waste tire making it good for the environment.
- **Tumbled Turf** is non toxic and does not float making it ideal for all types of planting and playground areas.
- **Tumbled Turf** resists fading and compaction creating long lasting beauty and low maintenance.
- **Tumbled Turf** does not attract insects, cats and dogs don't like it and it lasts for years creating savings in annual maintenance and mulching costs.
- **Tumbled Turf** doesn't absorb water which prevents fungus and bacteria growth.
- **Tumbled Turf** comes in a variety of colors providing a multitude of design options to meet any need.

Advantages (Continued)

- **Tumbled Turf** landscape products are backed by the industries leading manufacturer of rubber molded safety tiles, landscape products and accessories and come with a 5 Year Limited Material Warranty.
